MILLSTREAM SETS TERMS OF FINANCING

Toronto, Ontario -- Millstream Mines Ltd. (MLM - TSX-V) wishes to announce that it is endeavouring to raise funds by way of a non-brokered private placement flow-through deal of up to 6,000,000 units for maximum gross proceeds of \$2,100,000. Each unit is comprised of (1) one flow-through voting share and a one half (1/2) common voting share purchase warrant. Each full purchase warrant will entitle the holder to purchase one (1) additional common voting share for a period of one (1) year at a price of \$0.50. The above share issuance and attached warrants are subject to a four (4) month hold period from the date of closing.

The intended use of these proceeds is for exploration on Millstream's Potter Mine and Airport East Properties.

Millstream is also endeavouring to raise funds by way of a non-brokered private placement non-flow through deal of up to 3,000,000 units for maximum gross proceeds of \$1,050,000. Each unit is comprised of (1) one common voting share and a one half (1/2) common voting share purchase warrant. Each full purchase warrant will entitle the holder to purchase one (1) additional common voting share for a period of one (1) year at a price of \$0.50. The above share issuance and attached warrants are subject to a four (4) month hold period from the date of closing.

The intended use of these proceeds is for exploration and development of its Montana Property interests and for general working capital purposes.

The Potter Property is host to a VMS deposit located in the highly prolific Abitibi Greenstone Belt in the Kidd-Munro Assemblage near the town of Matheson in north eastern Ontario, Canada. The Airport East Property is located in the Falconbridge and Street Townships, Sudbury Mining District, Northern Ontario, Canada.

The principle objective of Millstream Mines Ltd. is to enhance and develop known mineral properties to production potential.
